THE TROUBLE BEGINS

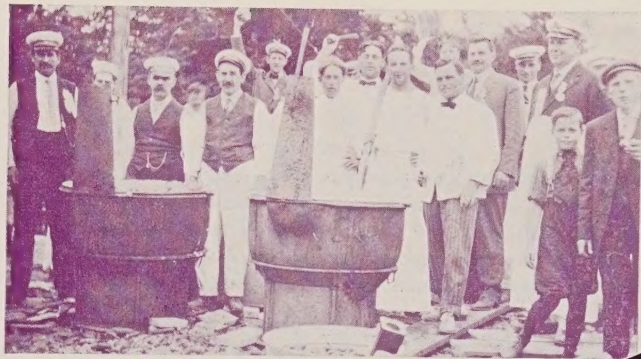

On our Lucky day, Friday, August Eleventh, and ends on the Thirteenth of the month. Elks are not superstitious. 10,000 whole-souled, bright and genial people were with us last year all of whom are now ELKS' CLAMBAKE BOOSTERS.

Every Elk and all his friends are cordially invited this year, and that means EVERYBODY, so fully 20,000 people are expected and will be provided for.

Address all Communications to G. B. Johnson, Secretary
